

PART LIST			
A	Legs		4 pcs
B	Seat		1 pc

FITTINGS			
C	Plastic washer		6 pcs
D	Felt pads		5 pcs

ASSEMBLY INSTRUCTION:

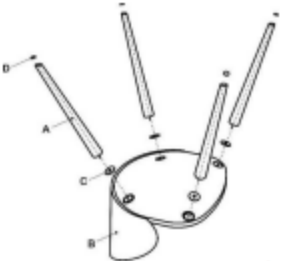

Fig. 1

1. Check all parts and fittings.
2. Put *Plastic washer (C)* to the holes of the chair seat.
3. Screw the leg with a full power (Fig. 2) through the plastic washer to ensure the strength of the construction.
4. Put the *Felt pads (D)* on the bottom of the legs.

IMPORTANT:

Use full power to screw legs.

Fig. 2

If the chair is wobbling, use additional *Plastic washer (C)* and *Felt pad (D)* for correction flatness of the legs to the ground.

Check leg tightening after a few weeks.
